

NationalPTI CPT Instructor Application Guidelines

Name: _____ Date: _____

At the NationalPTI we pride ourselves on making the journey into the fitness industry as **practical**, **meaningful** and **relatable** as possible. The NationalPTI **online** Certified Personal Trainer (CPT)Certification is no different.

We are the only **online** CPT that prioritizes our student experience towards **practical** feedback and relationships, rather than textbook adoption along with a standardized test. We all know the frustrations and retention barriers in that route. Our students will be required to take section exams, but we highly prioritize them demonstrating competencies via our Capstone Project and exit Practical Final. Our Instructors will lead this charge by weekly check in's, student preparation and readiness, Capstone project feedback, and administering the Practical Final. All-in-all, the Instructor will spend 2-2.5 hours of time with each student including:

- Welcome Email and Phone/Zoom (face to face)Interaction
- Linked-In/Facebook/or Instagram connection
- Weekly Follow Ups and Capstone/Practical Final Preparation
- Practical Final Scheduling
- Capstone Feedback and Checklist
- Practical Final on Zoom (Face to face)

To do this we need an army of instructors. As a NationalPTI Instructor you will have the opportunity for free professional development, an immersed knowledge of the NationalPTI brand, the reward of student achievements, as well as online course instruction for your resume.

NationalPTI will pay \$75 per student that successfully completes the Level I Online CPT. Along with a \$25 bonus if they sign up for the Level II Integration course, which perfectly complements the Online Practical NationalPTI CPT by ingraining the knowledge by repetition and performance. It will help the student find their authentic voice in the moment.

NationalPTI Instructors are not limited to students within your area. We will need instructors across the globe.

Prerequisites: Being a graduate of an Exercise Science like program and being a graduate of the NationalPTI CPT Level I. If you do not have an Exercise Science Degree the Level II Integration course is also required.

Please do not hesitate to reach out for NationalPTI business opportunities. We pride ourselves in being a global community and look forward to hearing from you. If you are interested please provide a resume and fill out the application. **Email to:** support@nationalpti.org

NationalPTI Application for Instructors

Thank you for reaching out regarding our worldwide Instructor positions. We have openings that come available in territories all over the world, both online and in-person. We are a multicultural company currently looking for individuals whom are bilingual in any and all languages to better serve our students worldwide. (Being bilingual is not a requirement to apply.)

We want the best of the best in the industry to be a part of our community which is why there is a series of interviews and a process that all whom are interested must go through to become an instructor with the NationalPTI.

If you are a positive, compassionate, driven, organized, responsible, educated, leader and self-starter with health, wellness and fitness instruction experience, we have a position available for you. Please print and fill out the application and interview questions below. Email it to: support@nationalpti.org We will review it and get back to you shortly.
